ORMANJ planinarsko društvo mountaineering association

ODMOR NA SELU

vacation in the village

Porodica Kazazović (12 članova) godinama gaji ljubav prema planinarstvu. Već treća generacija su aktivni planinari i ljubitelji prirode. Izgradnjom Planinarskog doma Ormanj i saradnjom sa Planinarskim društvom FASTO stvorili su se preduslovi da svoje znanje o planinarstvu i ostalim vještinama koje su vezane za aktivnosti u prirodi, kao i za ruralni turizam, predstave domaćim i stranim turistima.

Porodica Kazazović živi u Pazariću i u domaćinstvu su tri generacije - dedo Osman, nana Mejra i sinovi Edin i Elvir. Porodična tradicija je branje gljiva i ljekovitog bilja, kao i uzgoj aronije i ona se nastavlja i sa novim generacijama.

Na planinarskom domu Kazazovićima je osnovna djelatnost pružanje usluga smještaja i hrane, ali u neposrednoj blizini imaju i svoju baštu u kojoj uzgajaju povrće za sopstvene potrebe i za svoje goste. Imaju i voćnjak i plantažu aronije i proizvode svoje sokove i džemove, ako budete došli u pravo vrijeme, možete i sami učestvovati u ovim aktivnostima.

Planinarski dom Kazazovića se nalazi nadomak olimpijskih planina Igmana i Bjelašnice. U neposrednoj blizini svega 5km od njihovog doma se nalazi i atraktivan Tarčin forest resort i spa.

The Kazazović family (12 members) has been loving mountaineering for years. Already the third generation are active mountaineers and nature lovers. The construction of the Ormanj Mountaineering Lodge and the cooperation with the ORMANJ Mountaineering Association created the preconditions for them to present their knowledge of mountaineering and other skills related to activities in nature, as well as rural tourism, to local and foreign tourists.

The Kazazović family lives in Pazarić and there are three generations in the household. Grandpa Osman, grandma Mejra and sons Edin and Elvir. The family tradition is picking mushrooms and medicinal plants as well as the cultivation of aronia, and it continues with new generations.

The main activity of Kazazovic mountain lodge is providing accommodation and food, but in the immediate vicinity they also have their own garden where they grow vegetables for their own needs and for their guests. They also have an orchard and an aronia plantation and produce their own juices and jams. If you come at the right time, you can participate in these activities yourself.

The Kazazović mountain lodge is located on Ormanj, close to the olympic mountains Igman and Bjelašnica. In the immediate vicinity, only 5 km from his home, there is also an attractive Tarčin forest resort and spa.

Januar, Februar, Mart, April: Sportske aktivnosti
