ODMOR NA SELU

vacation in the village

Ovaj letak je urađen uz pomoć Evropske unije. Sadržaj ovog letka je isključiva odgovornost Ministarstva privrede Kantona Sarajevo i nužno ne predstavlja stanovišta Evropske unije.

This leaflet was produced with the financial support of the European Union. Its contents are the sole responsibility of Ministry of Economy of the Sarajevo Canto and do not necessarily reflect the views of the European Union.

Sin Faris Kaan i majka Elvira čine malo domaćinstvo nastalo iz ljubavi prema prirodi i poljoprivredi. Uzgajaju i prodaju ono što posade, voće i povrće. Domaćinstvo Delalić ima svoje plastenike u kojima na ekološki tradicionalan način uzgaja povrće za svoje potrebe i goste.

Son Faris Kaan and mother Elvira make up a small household created out of love for nature and agriculture. They refine and sell what they produce, fruits, and vegetables.

The Delalic household has its own greenhouses in which they grow vegetables for their needs and guests in an ecological - traditional way.

Domaćinstvo je smješteno u prigradskoj općini Vogošća, na sjevernoj padini parka prirode Hum, iznad Sarajeva. Hum je prepoznatljiv po tv-repetitoru, koji se nalazi na samom vrhu brda, na nadmorskoj visini od 816 metara. Najveći dio brda Hum proglašen je parkovsko-rekreativnom zonom Park šuma Hum, u kojoj je u narednom periodu planirana izgradnja niza sportsko-rekreativnih sadržaja.

Sa vrha Huma pruža se fascinantan pogled na Sarajevo i planine Trebević, Igman i Bjelašnicu. Najljepši pogled je onaj noću, kada se ispod Huma popale svjetla Sarajeva.

The household is located in the Sarajevo`s suburban municipality Vogošća, on the northern slope of the Nature Park Hum, above Sarajevo. Hum is recognizable by the TV repeater, located at the very top of the hill, at an altitude of 816 meters. Most of Hum Hill was declared a park-recreational area of forest park, where a number of sports and recreational facilities are planned in the coming period. From the top of Hum, there is a fascinating view of Sarajevo and the Trebevic Mount, Igman and Bjelašnica. The most beautiful view is at night when the lights of Sarajevo come on under Hum.

A nature monument, Waterfall Skakavac, 12 km from the household.

RURALNE AKTIVNOSTI

Mart, April:
Priprema plastenika

Maj:
Sadnja

Juni, Juli, August:
Održavanje usjeva i branje prispjelog povrća

Septembar:
Berba voća
